

who we are

SSF is founded on our passion for European vehicles. Our single pursuit has been to earn the loyalty of like-minded enthusiasts who service these vehicles; our efforts entirely on delivering the most efficient and rewarding sales process and support for independent installers.

Since starting business in 1976, SSF has steadfastly assembled the largest catalog of highest quality OEM European parts in the nation. And with the strength of our partnerships with Europe's largest parts distributor, WMSE, and Global One Automotive, a German-based international automotive alliance, SSF brings you the most dependable brands and highest quality precision-tested components from around the globe!

At SSF we're proud to continue our mission; remaining dedicated to preserving the spirit in which we started – staying true to our customers, and true to our European Heritage!

IMPORTED AUTO PARTS

Wholesale Distributor of Quality European Auto Parts

SSF**IMPORTED AUTO PARTS LLC****fact sheet**

SSF is the most comprehensive and fastest growing parts distributor in America dedicated to European vehicles. Our exclusive focus on European makes allows for a specialized approach to best serve independent repair facilities; with industry expertise and our commitment to delivering more quality, reliable, European auto parts than any other WD.

We opened our doors in 1976 with a vision to offer the most complete, quality-driven parts program. Today, SSF's catalog has grown to more than 50,000 Genuine and OEM parts - from belts, fluids, electrical systems, to shop supplies and more. SSF utilizes a network which includes hundreds of brand name vendors to provide our customers with the highest level of quality parts.

As a member of Europe's leading WD, WMSE, & Global One Automotive, an international automotive alliance, SSF has access to precision tested components from around the globe! These relationships enhance SSF's sourcing and technological capabilities, and we deliver these benefits, including increased buying power, directly to our customers across the nation.

SSF's sales team are career professionals with extensive knowledge of the cars we provide parts for. We offer daily delivery from nine warehouses across America, and provide a wide range of nationwide shipping options. Our customers expect quality parts, on time, and superior service from SSF!

SSF has developed an extensive tool, equipment, and diagnostics program geared specifically for European repair specialists, from the highest quality solution providers in our industry. Our catalog showcases some of the best built equipment available, and is filled with time and money saving tools essential to a thriving shop.
